

Voting Information for 2008 General Election

General Election for 2008 is on Tuesday, November 4. The Salt Lake County Clerk's Office provides voters the option of voting prior to Election Day at an Early Voting Location. Voters do not need an excuse to utilize this convenient voting method. In order to be eligible to participate in Early Voting, voters must be registered to vote at least 30 days prior to.

The Early Voting schedule will begin weekdays on October 21 through October 30 from 12 p.m. until 7 p.m. and on Friday, October 31 from 12 p.m. until 5 p.m. Early voting locations in Sandy include Sandy Fire Station #35 located at 8186 South 1300 East and at Sandy City Hall located at 10000 Centennial Parkway.

In order to participate in the November general elections, mail-in registration must be postmarked by October 6 or registration must be completed in person at the Salt Lake County Clerk's office by October 20. Mail-in voter registration forms are available on the clerk's web site, www.clerk.slco.org as well as post offices and libraries. Additional information is available by phone at GOT VOTE (468-8683).

Voters can also sign up for a permanent Vote by Mail status. Anyone interested in having ballots mailed to them on a permanent basis can opt in to the program. Applications are available online and must be returned to the County Clerk's office no later than 2 weeks prior to an election.

Construction begins on Frontage Road intersection

On Monday, September 15, construction began on the 9000 South and Monroe Street intersection. The project will add several new features including a right turn pocket on eastbound 9000 South, a right turn pocket on northbound and southbound Monroe Street and dual left turn lanes on northbound Monroe Street.

Traffic on 9000 South will be restricted to two lanes with a left turn pocket and Monroe Street will be restricted to one lane and a left turn pocket during construction. Crews will be working Monday through Friday with occasional work on Saturday. The project is scheduled to be completed in October.

To stay up-to-date on the latest construction activities on the 9000 South and Monroe Street intersection, send a request to monroe@hwlochner.com. Email updates will be sent on a weekly basis or as activities change.
